Gourmand Membership Benefits

Are you a *Gourmand*?

Do you love good food? Does a ripe melon or a fresh tomato send shivers down your spine as you contemplate its eventual transformation into a culinary delight that you and your friends will savor for hours?

Oconomowoc Lake Club
January 2007

You probably get all the major food magazines, plan your vacations around locations with great food and are first of your friends to dine in the new hot restaurants. You may spend hours at the green grocer or fishmonger just looking. You wish you could dine at some of Milwaukee's premiere eateries, some of which are private clubs. If you desire to sit in a room full of like-minded Professional Culinarians as an equal, you are most likely a *Gourmand*. The *Gourmand* makes culinary pursuits an important part of everyday life. Have we got an opportunity for you.

The American Culinary Federation Chefs of Milwaukee, the local chapter of the American Culinary Federation (ACF) announces the creation of a new membership category just for you, the *Gourmand*. The *Gourmand* membership gives you access to all of the ACF Chefs of Milwaukee dinner meeting events including the prestigious Chef of the Year dinner. The ACF is the leading professional, not-for-profit organization for chefs and cooks in the United States.

This is the first opportunity for people who love good food and enjoy all aspects of everything culinary to rub elbows with professional chefs and cooks as fellow gourmands. Membership is only \$100 per year, and gives the *Gourmand* total access to all ACF dinner meetings including the annual "Chef of the Year" dinner and numerous education opportunities throughout the year.

For more information, contact John Damico at Northland@rocketmail.com or 414-847-3249. Or visit the ACF Chefs of Milwaukee website, www.ACFchefsomilwaukee.com.

Be the first *Gourmand* in your area!
