A New Year at MATC

Hello, fellow culinarians! The spring semester is upon us, and we all hope you enjoyed your winter break. As your officers for this Student Organization, we again make our promise to better not only this organization but the Culinary arts program in which we are all enrolled. This industry that we love keeps growing every day, and we are

fortunate to be a part of it. And as the industry grows, we too, must continue to learn in order to meet the demand of current trends. To that end, we are here, as well as your instructors, for guidance and support. If you ever have any questions or concerns in regards to your labs, classes, outside work environments, or basic food que-

ries, do not hesitate to contact us and we will get back to you as soon as possible. Finally, remember why you are here at MATC in this program; keep your goals and pursuits in the front of you because only then can you succeed with whatever you do. Have a great semester everyone!

The Milwaukee Food Club

We are proud to announce to you all The Milwaukee Food Club, an organization founded by a fellow student of ours named Dennis Givens. Dennis shares a brief insight on his Club and its intentions saying "The Milwaukee Food Club is a MATC group for culinary students and people who love food and the culinary atmosphere of Milwaukee, WI and beyond. Our mission is to explore the tastes and differ-

ent restaurants of the Milwaukee area and hopefully become better Culinary artists and enjoy what our city has to offer." Furthermore, Dennis states that this group is also for those who are not in the Culinary program, but are simply those who love to eat and enjoy fellowship with those who do. We hope to work with this organization in the future as we think it can only benefit this Student Organization and the Cu-

linary Arts program. If you would like more information on this organization, please contact Dennis at **themilwaukeeclub@yahoo.com** or call him after 5:00 p.m. at (414) 520-3765. Best wishes and success to Dennis and The Milwaukee Food Club!
